

CONNECTRAPPAHANNOCK AND VISIONS TO HOST RESOURCE SHARING FORUM

Join ConnectRappahannock and VISIONS for the first meeting of its kind in our area. Together we are hosting a Resource Sharing Forum on Thursday, October 15, 2009 at 9:00 a.m. at the Lancaster Community Library in Kilmarnock, Virginia. If you are a nonprofit, government agency or church in Lancaster or Northumberland County, please join us for this opportunity to share information about who you are and what you are doing in our community.

By connecting with each other, we can be more effective in addressing issues in our area. Bring a business card or any written materials you would like to share with the other organizations, churches and agencies.

As space is limited, we ask that only one representative from each group attend. Please reply to Alison Towles, Project Coordinator, VISIONS at visions@lancasterlibrary.org or Cindy Balderson, Director, ConnectRappahannock at rappahannockinfo@connectnetwork.org

The forum will continue on a monthly basis and rotate throughout the Northern Neck and parts of the Middle Peninsula.
